Chartwell's Latest Software Offering Provides Exciting New Games, New Features and Added Functionality

Chartwell Technology Inc.

TSX:CWH

Calgary, Canada, January 24, 2005, Chartwell Technology Inc. (TSX:CWH), a leading provider of gaming software systems to the online and remote gaming industry, announces the launch of its latest software, Version 6.3.

Chartwell's Version 6.3 incorporates a variety of new games and back office functionality needed to complement the continued growth of Chartwell's customers, which include some of Europe's most successful gaming companies. The new software provides a greatly expanded back office management system (CyberBoss) that offers new bonus structure capabilities, enhanced security and auditing functionality and marketing features. New look and feel, bonus levels and progressive features have been added to popular games and the addition of Common Wallet functionality allows players to access funds in different environments such as poker, bingo and casino, without having to manually transfer funds between accounts.

"From our client's perspective, Version 6.3 offers the most flexible platform to grow their businesses through significant enhancements to Cyberboss – our back office toolset," said Lee Richardson, Chief Executive of Chartwell Games Corp. "And our latest offering, which includes a variety of new 3 and 5 reel slots, with multi-level bonus and progressive play, plus hi/lo-based soft games, lottery-style games and new language support throughout, responds to our client's demands for fresh, highly-appealing games that Chartwell is renowned for."

New games in Version 6.3 include:

Slots

- **Oktoberfest** 5-reel multi-line payout slot with wild card symbol and bonus feature.
- New **Space Invasion** 3-reel slot with wild card symbol for multiplied payouts.
- New **Pot O' Gold** 3-reel slot with wild card symbol, progressive jackpots and bonus feature.
- **Cash Grab** 3-reel slot with wild card symbol.

Soft Games

- **Card Sharks**, combination hi/lo poker hand game with optional progressive.
- **Mad Matterhorn**, hi/lo game with exciting let-it-ride style progressive game levels.

90 Ball Bingo

- The traditional **European Bingo** with all of the fun and features of our original 75 Ball Bingo with the flexibility to be deployed in a community environment or as a stand-alone product.

Horse Race Lotto

- An exciting **lottery** based game with a **horse race** theme and multiple betting strategies.

Common Draw Roulette

- **Single zero roulette** with the added fun and excitement of multiple players betting on a common spin at pre-set spin intervals.

Chartwell's product lines, including multi-player poker, mobile and kiosk-based gaming systems, also benefit from the deployment of Version 6.3. Enhanced back-end functionality allows for smoother integration and ease of play, allowing Chartwell's clients the ability to introduce the latest gaming platforms to their player bases, ensuring that Chartwell's clients maintain the most up-to-date and innovative gaming systems available.
